WOOD COLOURS

An additional treatment for wooden products is the application of varnish. The varnish not only gives the wood a protective layer, but also a certain shine and softness. This extra is optional and can be ordered at a price of EUR 50.

NATURAL PRINTING
• ECOLOGIC PRODUCT •

**ECO-
FRIENDLY
PRINTING**

The printing process uses water-based inks that are free from chemicals and heavy metals of any kind. This results in a cleaner production process that generates less waste and has less impact on the environment..

INDIVIDUAL DESIGN

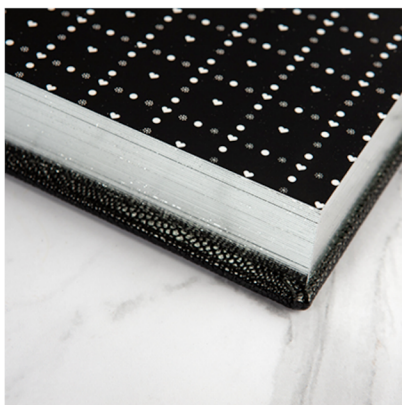

If you would like to print **your own wedding logo** on the cover of the photo album, you can send me a vector file in .ai or .eps format. To achieve the best printing result, you should avoid very small details and overly complex designs.
